PROCEDURE

LESSON 1: WHAT DO WE KNOW ABOUT BOOKS?

AIMS OF THE LESSON	<ul style="list-style-type: none">■ to elicit and build on previous knowledge about books■ to extend vocabulary about books (different genres of books) and their possible content■ to enhance learning strategies
MATERIALS AND RESOURCES	wrapping paper, note pads, 1.6 Evaluation
BEFORE THE LESSON	the following words written on note pads: novel, newspaper, poem, cartoon (3-4 copies each), 1.6 Evaluation
STAGE 1	Warm-up – I spy...
TIME	5 mins
SKILLS AND COMPETENCIES IN FOCUS	Activating vocabulary
ORGANISATION	Whole class

TEACHER'S ACTIVITIES

1. The teacher asks learners to say words which begin with the given letter of the alphabet. She starts the sentence “I spy with my little eye something beginning with ‘A’” and says the word ‘apple’ then another ‘alligator’. S/he invites learners to think of other words starting with the letter ‘A’.
2. When learners can’t come up with more words, s/he starts a new sentence “I spy with my little eye” with another letter.

LEARNERS' ACTIVITIES

1. Learners play a game with the teacher.

STAGE 2 Brainstorming – What can we read?**TIME** 7 mins**SKILLS AND COMPETENCIES
IN FOCUS** Activating vocabulary
Association skills**ORGANISATION** Whole class**AIDS AND MATERIALS** Wrapping paper**TEACHER'S ACTIVITIES**

1. The teacher asks learners to think and write down what genres of books or texts they know, as well as what they can read (signs, recipes etc.). The teacher asks learners to write down all the ideas they can think of. Then s/he invites learners to share their ideas.

Possible words: poem, novel, short story, cartoon, newspaper etc.

2. S/he puts down the ideas in a mind map format.

LEARNERS' ACTIVITIES

1. Learners brainstorm as many words as they can, even if they are in Hungarian.

2. They draw a mind map in their exercise-book.

STAGE 3 Vocabulary practice – Thinking of symbols of words**TIME** 8 mins**SKILLS AND COMPETENCIES
IN FOCUS** Memory skills
Learning strategies**ORGANISATION** Whole class**TEACHER'S ACTIVITIES**

1. The teacher asks learners how they usually learn words. With the help of the poster s/he demonstrates how to remember some words by drawing symbols or using imagination.
2. S/he invites learners to draw symbols next to the given words on the poster. The teacher encourages learners to utter some words and visualise an action that goes with them.
E.g. sitting in a boat – reading a poem
3. The teacher gives some time to learners to experiment with different strategies.

LEARNERS' ACTIVITIES

1. Learners tell their class how they usually learn words.
2. Instead of writing down the Hungarian meaning of the word, learners can 'draw' the meaning of it with a symbol, or by saying the word aloud, they can imagine a happening in connection with the word.
3. Learners practise the strategies.

STAGE 4 Forming groups – What am I?**TIME** 6 mins**SKILLS AND COMPETENCIES
IN FOCUS** Asking and answering questions
Guessing**ORGANISATION** Whole class**AIDS AND MATERIALS** Note pads with words (novel, cartoon, poem, newspaper)**TEACHER'S ACTIVITIES**

1. The teacher explains that the aim of the task is to guess what written genre the learners have on their backs by asking questions from others. S/he writes some possible questions on the board.
Possible questions: Am I long or short? Do people read me every day? Can you give me an example?
2. The teacher sticks a note to each learner's back. S/he allows learners to go around the classroom.
3. The teacher asks learners to sit in groups according to their labels.

LEARNERS' ACTIVITIES

The teacher makes sure everyone has a partner (2-3 learners in one group).
2. S/he asks learners to bring pictures from magazines about that particular topic for next lesson.
S/he can encourage learners to cooperate with peers with the same interest (e.g. football, dinosaurs, pets etc.).
