You have 90 minutes at Chessington Theme Park with the people in your group. You are at the Guest Service/Information in the Market Square. It is shown by a circled i on the map. In 90 minutes, you need to be at the South (Grass) Car Park to get on your coach. What is the best way around for your group? You want to be on as many rides as possible and keep everybody happy. For your timing, you need to observe the following:

- 1 Each ride lasts for 3 minutes.
- 2 The walk from a location (theme) to the location next to it takes 5 minutes.
- 3 There is no walking time within a location (theme).
- 4 Queuing is 10 minutes per ride.
- 5 You all need to go to the toilet before getting on the bus, which takes 5 minutes at the toilet + the walk.
- 6 If some of you go to/on different places/rides, always agree on a place and time to meet.

Register your way around in the table overleaf. Here is an example:

Names: Peter, John, Sandy and Carol

Theme / Place	Rides	Who?	Agreed	Time used

3.5 SAMPLE POSTCARD

Dear Eszter,

Greetings from Chessington World of Adventure!

I've had a fantastic day here with Peter and Marcsi. We got on a lot of great rides. My favourite was Dragon Falls. It is a water ride, it goes up high then goes down really fast, and there is a big splash at the end. We all got wet! It was really thrilling! Unfortunately, we had no time to get on the Rattlesnake. Next time!

Hope you've had a nice day, too. See you soon!

Love,
Gabi
